'Leeds Breeds Good Deeds'

The new Sainsbury's Local Store at Brewery Wharf, Leeds was officially opened by Grenville & Sandra Fletcher, from the Leeds Children's Charity. The new store, formerly a city centre restaurant, is located within a prestigious complex in the heart of Leeds.

As part of Sainsbury's on-going Community Spirit Programme, new bedding and furnishings were purchased for the Leeds Children's Charity for use in their Cumbria holiday home. The Charity supports children that have been neglected and have grown up in poverty, and sends over 300 children per year to this holiday home near the seaside. These holidays can often be the only ones these children get to experience, and gives them a childhood holiday to remember.

Above:- Thank you letter from Leeds Children's Charity.
