'The Fruit of The Orchard'

The new Sainsbury's Local Store at Coventry Road, Bedworth, was officially opened by John & Hilda Haynes, the Lord Mayor & Mayoress of Nuneaton and Bedworth. The store was formally the Orchard Public House, and has now been given a new lease of life by Sainsbury's and contractors CTS Shopfitting Ltd.

As part of Sainsbury's on-going Community Spirit Programme, refurbishment works have been carried out at Zoe's Place Baby Hospice, ceiling tiles, shelving, numerous wallboards etc. Zoe's Place provides respite, palliative and end of life care to families and their children who have life limiting conditions, and relies heavily on charitable donations to continue the care and support it supplies.
