'Sainsbury's Bring Buckets of Joy to Community'

The new Sainsbury's Local Store at Fulwood Road, Sheffield, was officially opened by Ged Carter from St. Luke's Hospice and Tchad Western from The Children's Hospital Charity. The store was formerly a hardware store in this busy shopping precinct.

As part of Sainsbury's on-going Community Spirit Programme, a brand new Kindle and laptop were purchased for the patients at St. Luke's Hospice who are unable to leave their beds. The hospice is a locally run charity, caring for people in the Sheffield area with incurable diseases, helping them to control their symptoms and provide the best possible quality of life.

Sainsbury's are also supporting The Children's Hospital Charity, purchasing many fundraising buckets to help turn this donation into substantially more money. The Children's Hospital Charity works alongside Sheffield Children's Hospital to ensure that children receive the best care available.

Please accept our most sincere thanks for your kind donation of £500.00 recently received by The Children's Hospital Charity for us to use to purchase fundraising collection buckets.

At The Children's Hospital Charity, we want to give our young patients and their families the best care in the world. With our help, The Children's Hospital is providing world-class care to children every day.

The strength and courage our young patients show us every day has inspired us to build one of the best teams in the world right here in Sheffield. Just like our dedicated staff, we want to give every one of these amazing children the best possible future - because these children are the future.

All of our work is focused on keeping the hospital at the forefront of paediatric care and bringing real benefits to all of our young patients who need the specialist services of the hospital. The projects we fund are enhancements that are 'above & beyond' that of standard NHS provision.

Thank you for doing something amazing and helping us to make a brighter future for our children and their children. On behalf of everyone here at The Children's Hospital, thank you once again for your continued support.

Yours sincerely,

Tchad Western
Corporate Fundraiser
