'Sainsbury's is Heart of the Community'

The new Sainsbury's Local Store at Stone Cross, Penkridge, was officially opened by John McPheat, Chairman of Penkridge Parish Council. The store was formerly the George and Fox Public House and lies in the heart of the town.

As part of Sainsbury's on-going Community Spirit Programme, contributions were made towards a defibrillator for the local community. These life saving devices are especially valuable in rural areas where it can be difficult for a paramedic to attend quickly. In addition to this, both Sainsburys and CTS Shopfitting Ltd personnel have been involved in renovating the kitchen at Monkton Recreation Centre, a local community asset and the home of Penkridge Football Club and Wheaton Aston Rugby club.
